4. RULES TO ACCEPT E-CITATION FILINGS FOR TRAFFIC TICKETS

The use and filing of a traffic ticket that is produced by computer or other electronic means is hereby authorized in the Clinton County Juvenile Court pursuant to Traffic Rule 3(F). The electronically produced traffic ticket shall conform in all substantive respects to the Ohio Uniform Traffic Ticket. If an electronically produced traffic ticket is issued at the scene of an alleged offense, the issuing officer shall serve the defendant with the defendant's paper copy of the ticket as required by division (E) of Traffic Rule 3. The court record of the ticket shall be filed with the Clinton County Juvenile Court on paper of sufficient quality to allow the court record copy to remain unchanged for the period of the retention schedule for the various traffic offenses as prescribed by the Rules of Superintendence for the Courts of Ohio. The court record of the ticket may also be filed electronically with the court in lieu of the paper court record. A law enforcement officer who files a ticket with the court and electronically affixes the officer's signature thereto shall be considered to have certified the ticket and shall have the same rights, responsibilities and liabilities as with all other traffic tickets issued pursuant to the authority granted by the Rules of Superintendence for the Courts of Ohio.
